THE NEWS OF HIGHLAND.

Circuit Court Has Short Session—Personal Notes.

[Special to The Times-Dispatch.]
The regular fall term of Highland Circuit Court convened on Monday and proved to be a short session, adjourning on Wednesday.

The grand jury was in session two days and returned three true bills. They were for such offenses as the carrying of concealed weapons, etc.

The jury announced that several charges brought to their attention during the term of court, directing them to furnish the State's attorney with a list of such witnesses as were needed. But little chancery business was disposed of.

The ladies of the Monterey Presbyterian Church gave a dinner on court day, serving refreshments in the evening. The receipts of the effort amounted to about \$65, and all pronounced it a successful event.

Mr. R. M. Cumber, a native of this county, and a successful young business man, who for several years has been with the Pocahontas Lumber Company, at Burner, W. Va., has purchased the mercantile business of R. L. Rose & Co., at Covington, Va., and has taken charge.

Mr. John R. Beverage, one of the oldest citizens of Highland, is quite ill at his home, three miles east of Monterey.

Mr. C. M. Lunsford, cashier of the Citizens Bank, soon to begin business at Monterey, has returned to the residence on Main Street, Mrs. Sig moving back to her farm in the Bluegrass Valley.

Highland is still sending visitors to the exposition. Those attending this week are Messrs. H. W. Terry, J. A. McCuffin, Leslie Bussard and others.

FIGHT IN THE TENTH.

Republicans Show Some Uneasiness Over Bailey's Candidacy.

[Special to The Times-Dispatch.]
FREDERICK, VA., November 10.—Now that the regular election is just, our people are beginning to turn their attention to the special election to be held on the 17th proximo, to elect a successor to the late Congressman Sleep for the unexpired term. The present indications in this county are that the Democrats will not favor putting any candidate ahead. Hon. D. F. Bailey, Republican, has declared himself an independent candidate, with the avowed intention of clearing the Sleep-Summers "trust," which he charges exists for the purpose of self-promotion.

The regular organization of that party is showing some signs of uneasiness, from which it is apparent Bailey is making with indifference. It goes without saying, that the Democrats would be pleased to "denounce" this Republican combine, and it is quite certain that there is a sprinkling of that party, which may be denominated as "outs," who do not favor the continuation of the powers that be. But the deputy marshals, gaugers, collectors, postmasters, etc., of course, favor a continuation of the present regime.

Colonel Bailey will not submit his claims to the convention of his party, but will run independently, hoping by this course to receive aid from the opposite party. The Democratic press of the district, so far as can be ascertained by the writer, is placing his claim before the public and speaking favorably of his candidacy. The outcome of this matter will be watched with interest.

Mr. Bailey has furnished the Clintwood Times, a Democratic newspaper, a notice of his speaking at Clintwood on December 24 for publication, and it is very probable that the meeting will be largely attended.

It is a foregone conclusion that the Republicans will nominate C. B. Simpson, son of the late Congressman, to fill the unexpired term.
